Step 1 - Click here

Account Settings - <Turnkey@kcnet.com>

Account Name: Turnkey@kcnet.com

Change to @turnkeymail.com

Default Identity

Each account has an identity, which is the information that other people see when they read your messages.

Your Name: Test

Email Address: Turnkey@kcnet.com

Reply-to Address: Recipients will reply to this other address

Organization:

Signature text: Use HTML (e.g., bold)

Empty text box for signature text

Attach the signature from a file instead (text, HTML, or image):

Empty text box for file path
